

### **Bare Metal Industrial Cleaner & Degreaser No. 45016P**

- Non-flammable and non-conductive
- Leaves no residue
- Contains no methylene chloride
- Contains no 1,1,1 trichloroethane

Bare Metal is ideal for metal fabricators, tool and die operations, and anyone who needs to clean metal. It removes grease, oil, wax, tar and other contaminants on tools, motors, bearings, generators, control panels, power tools and more. Just spray then wipe away the overflow, or simply allow it to dry. Bare Metal leaves no residue. Bare Metal is ideal for removing silicones and other contaminants from mold surfaces. Not intended for automotive applications. NOTICE TO PURCHASER: User shall determine suitability of product for his intended use and assumes all risk and liability in connection herewith.
