

Plastic Cleaner with FOAMaction™ No. 41515

- Just spray and wipe clean
- No ozone depleting chemicals
- Safe on all plastics
- Cleans without leaving film or residue
- Pleasant, fresh scent
- Non-flammable, water-based cleaner with low VOC's
- Contains no ammonia

Plastic Cleaner uses FOAMACTION(TM) foaming spray to effectively remove oil and dirt marks from all plastics, even sensitive polycarbonates. Just spray and wipe clean, then polish with a clean, dry cloth. Plastic Cleaner is ideal for cleaning plastic parts, and helps remove mold releases prior to secondary operations. Plastic Cleaner also works as a general purpose cleaner and can be used to clean: safety gate doors and molding machine, tile and porcelain, chrome, glass & mirrors, even metal (use one of Slide's rust preventatives to provide long-term protection on metal surfaces). NOTICE TO PURCHASER: User shall determine suitability of product for his intended use and assumes all risk and liability in connection herewith.
