

### **Quick Rust Preventive (Quick RP) No. 42810**

- No trichlorethylene
- Dry formula makes oils stay where they are sprayed
- Fast clean up
- 2 years protection

Slide Quick RP employs a combination of fast evaporating solvents and oils to set up quickly on your mold surfaces, providing immediate protection against moisture and light acids. This unique ""dry"" package makes clean-up quick and easy when the mold is put back into production, saving time and money.

NOTICE TO PURCHASER: User shall determine suitability of product for his intended use and assumes all risk and liability in connection herewith.
