

AceCare No.2

News for right now...

COMMUNICATING NEWS YOU NEED TO KNOW NOW...

AceCare is our way of reaching out to you with the latest news as it relates to our industry in these uncertain times.

We will use this forum to tell you about products, features, and news from us, and our suppliers as it pertains to our industry during the outbreak.

Hello dear friends and colleagues,

As we fight this fight together—it is demanding each of us to behave and think differently than we have in the past. For those of you have already purchased the Ultra-Lyte Sanitizer from us, we thank you for your ongoing support and we hope you are implementing procedures to keep your employees and work facilities safe.

We want to stress the following:

As production of bottles/containers has increased significantly in demand – we ask that any of you who have already purchased the 1L or 4L options – PLEASE KEEP THESE BOTTLES.

We offer bulk sizes of Ultra-Lyte in 20L pails or 1250L totes. You may look to these options store fill your bottles. This will dramatically reduce the need for more bottles and ensure that everyone is able to have sanitizer in their facilities.

We have suggested purchasing bottles from the Dollar Store to use for refilling purposes as well, while they are still available. Unprecedented times call for unprecedented measures. Every little bit of difference—can in fact, make difference.

We are wishing you all good health, and hoping that some how you are able to find a silver lining during these uncertain times.

Clean - Disinfect - Sanitize **Ultra-Lyte®**

An environmentally friendly but extremely potent antimicrobial solution capable of rapid destruction of bacteria, viruses, spores, scale, and biofilm. Replaces all current sanitizing products while being entirely safe to use.
