## Are your formulations safe for use?

## TCE IS A KNOWN CARCINOGEN

Check your degreasers, cleaners, releases and purging compounds for **trichloroethylene (TCE).** 

## TCE WAS BANNED BY THE FDA

We've put together a list of current formulations that contain TCE. Use the list below to check for your product. If it is on this list, we highly recommend you dispose of the product and replace with one of our recommendations below.

We are committed to keeping you and your workplace safe.
