## At AceTronic, we like being used!

Whatever problem you're facing, we're here to help. Simply reach out and we'll work with you to find the appropriate solution.

### AceTronic Courses

## Learn how to optimize cooling efficiencies

April 21st & 22nd, Windsor Ontario

Our next date for our scientific cooling class is scheduled for **April 21st and 22nd, 2020**. Don't miss out on this unique program focused on the math behind the magic of injection mold cooling!

**Sign up before Mar 15th to ensure your spot.**

Contact [sales@acetronic.com](mailto:sales@acetronic.com)  
or reach out by calling **1.800.803.8871**

### AceTronic Site Visits

## Meet the Expert

AceTronic will be **conducting site visits** over the duration of 2020. Our goal is to **bring the experts to you**; to discuss and help

resolve your toughest on-site issues.

*We look forward to discussing your application  
as it speaks to each of the product lines  
represented by our suppliers.*

To arrange a site visit email [sales@acetronic.com](mailto:sales@acetronic.com)  
or reach out by calling **1.800.803.8871**

**AceConnex**
