## REPAIR... RE-USE... RECYCLE...

Don't contribute to the pile of electronic waste, whenever possible Reduce Re-Use Recycle...

### CABLES

Give new life to old cables,  
by replacing hoods or inserts

### CONTROLLERS

Rather than disposing of your temperature controllers look into our cost effective **repair and calibration services**

Types and Models of Temperature Controllers –  
OMRON, RKC, FUJI, FuzyPro & More

### THERMOLATERS

Ensure these are running at their optimum output;  
Let AceTronic look at the **maintenance and repair**  
of your water temperature control systems (TCU's)
