

TECHNICAL DATA SHEET

No-Rust Rust Preventive Aerosol

40212M

Product Description

No-Rust® is a one-step rust preventive that contains both acid neutralizer and rust preventive. Its non-silicone, non-wax formulation provides positive protection by displacing moisture from metal surfaces and adhering tightly to the surface. It contains no chlorinated solvents and neutralizes finger print acids. Ideal for mold and die protection, it also works on stamping dies, stripper plates, jigs and fixtures, die casting dies, precision instruments, machine tools and machined or ground steel of all kinds. Provides up to 5-years of corrosion protection under normal indoor storage conditions.

Applications

Rust Preventive

Shelf Life

Three years from Date of Manufacture (as found on the bottom of each can and shipping box)

Unit Package Description

16 ounce aerosol

Generic Description

Rust Preventive

Net Weight Fill

11.5 net ounces

UPC Code

858799000028

Odor
