

TECHNICAL DATA SHEET

Mold Polish 16 oz cans

45216

Product Description

Mold Polish safely removes plate-out, oxidation and stains on fine tooling surfaces quickly and cost-effectively. Ideal for all types of molds, dies and fixtures, it restores surface finish, while providing a high, luster sheen. The polish has proven effective on steel, stainless, aluminum, brass, bronze, beryllium, zinc, powdered metals and other materials used in injection, blow, extrusion, compression, and rim molding.

Applications

Mold Polish Cleaner

Shelf Life

Three years from Date of Manufacture (as found on the bottom of each can and shipping box)

Unit Package Description

16 ounce can

Generic Description

Mold Polish/Cleaner

Net Weight Fill

16 net ounces
