

THINK OF ACETRONIC AS...

## AN EXTENSION OF YOUR MAINTENANCE PROGRAM

Established in 1983, AceTronic's vision has been to provide the utmost in customer service and to offer solutions based upon its in-house technical knowledge and wide product base. ISO 17025, ISO 9001, and CAMSC certifications reinforces the key focus of the organization. Think of AceTronic as an extension of your maintenance room / PM program and open the door to accessibility of trusted products and knowledge personnel at your disposal.

## SPECIALISTS IN SUPPORT & SUPPLY

to the plastics manufacturing industry

### In-Plant Calibration & Repair

AceTronic offers both ISO9001 and A2LA accredited calibration of temperature and pressure equipment.

### Temperature Control Solutions

Easy to operate, custom design options and calibration to ISO 17025

### Custom Cable Assemblies

Full range of custom cables/wire harnesses for any application, high quality CSA/UL approved components.

### Plastic Processing Products

Industry targeted MRO products ensure optimal efficiency of your manufacturing process; overall reduction of downtime

## OUR PARTNERS

## ACETRONIC

Hot Runner Temperature Control Systems  
Length Cutter  
Custom Electrical Panels  
Wire Harnesses  
Custom Cables  
Thermator Water Control Temp. Units  
Trackers / Voltage Controllers

## CABLES & HARNESSSES

Customized Cables	Connectors
Standard Mold Cables	Connector kits
Cable Accessories	Wire Harnesses
Thermocouple Cables	Splices
Cable Lugs	Terminal Blocks
Crimp Tools	Terminal Strips
Pre-wired Mounting Box	

## CLEANERS & SOLVENTS

Biodegradable Cleaners  
Compressed Air / Spraying Systems  
Econo-spray  
Degreasers / Descalers  
General Lubricants  
Mold Cleaners  
Mold Releases  
Plastic Flaw Repair  
Purging Compounds  
Rust Preventatives

## HEATERS & ACCESSORIES

Strip Heaters	Barrel Heaters
Thermocouples	Cartridge Heaters
Ring Terminals	Ceramic Heaters
Ceramic Base & Caps	Coil Heaters
Infrared heaters	Euro & Silocone Plugs
Mica Band Heaters	Insulation Blankets
Nozzle Heaters	Mica Mat Wires
Silicone Heaters	High Temp. Tape
Split Cartridge Heaters	
Ceramic Terminal Blocks	
Cast Aluminum Heaters	

## MOLD COMPONENTS

CVE Monitor  
Cooling Items  
Global Thinswitch  
Thinswitch Limit Switch  
Versaswitch Limit Switch  
Ejector Pens & Sleeves  
Limit Switches  
Fastie Quick Ejector Tie-in  
Pre-wired Mounting Boxes

## INDUSTRIAL

Injection Mold Machines  
Dryers / Blenders  
Water Manifolds  
Flow Meters  
Swap Valves  
Solid State Relays  
Mercury Contactors  
Melt Pressure Indicators / Controllers  
Linear Transducers  
Mold Cleaning Equipment

## SERVICES

Custom Panel Building  
On Site Calibration  
On Site Electrical Service  
On Site Repair  
Maintenance Repair & Overhaul

**AceTronic offers a total solution for your manufacturing and maintenance needs. Call us for a free quote.**
